Northern light tour with snowmobile

A fantastic outing in the Torne river valley. The snow is reflecting the moon and the stars. The head light from the snowmobile lights up the tracks we follow, as the trees cast long shadows out in to the darkness. When we stop and turn off the snowmobiles the silence is total. Then suddenly the sky bursts out in different colours, as the Northern light appear.

The guide tells stories, myths and legends about the Northern light. In the cabin we serve you some delicacies from Lapland. We use modern snowmobiles with four-stroke engines.

Overnight tour with snowmobile

We drive the snowmobiles out in to the wilderness of the Torne river valley. We follow our own small tracks and seek out the finest spots near the river. In the evening the guide cooks dinner for you in the cabin where you will sleep. Sauna, open fireplace and a nice cabin by the river offers the best opportunities for a nice outing. We use modern snowmobiles with four-stroke engines. You will have a private cabin and you don't have to share it with other guests. In the cabin there are two bedrooms and a big living room combined as dining room where spare beds can be placed. We also have a guest cabin if the group is very big. At breakfast time the guide will return. You will go out again with the snowmobiles for a daylight-outing before being transferred back to town.

We use modern snowmobiles with four-stroke engines.
