

Jukkasjärvi VildmarksTurer AB

Kungsleden spring 2012

Arriving day: We picking you up from airport in Kiruna, taking you to our base there we will prepare everything for next days start. Your guide will inform about the tour, check all equipment. Last thing this first day will be dinner.

Day 1: Breakfast, load the bus and then we will drive to area of national park Abisko, it will take just over one hour to drive.

The start point Port of "Kungsleden" is our start place. This first day will be totally 15 km, we arriving to our cabins there we staying over the night, the trail are easy to travel on this first day and it is a nice tour in to the Mountains. Dinner under the evening will be prepared from your guide.

Day 2: Breakfast, tour start at 10.00 today we have 26 km to do until we arriving next cabins, this will cost a little bit more from each one, The first 10 km are more or less to climb up on the higher level in to the mountains. Last 15 km are more flat, we arriving to cabins in Allesjaure. Lunch will be prepared together with your guide under the way. Dinner and sauna in evening

Day 3: Breakfast, tour start at 10.00 today we will have flat trail first 5 km and after that it going up just over 1000-1100 meter, so this day will be the day with climbing up to top of Kungsleden. Totally this day we have 26 km to do. Last part is down hill and flat. Arriving to cabins in Sälka. Under the evening we have same as yesterday sauna and dinner.

Day 4: Breakfast, tour start as usual at 10.00, today we going to cabins in Singi. This is the shortest day to travel it's only 11 km, but it can be nice to have a day with more time over for each one. Dinner in evening and lunch under the day in the trail

Jukkasjärvi VildmarksTurer AB

Day 5: Breakfast, tour start at 10.00. Today's tour going to Kebnekaise mountain station and it will be totally 16-17 km. Lunch under the way.

Here it is a restaurant and shops to buy things, showers, sauna etc. It's a fantastic nice place to stay in.

Day 6: Last day on the trail, today after breakfast we go to the Sami village Nikkaluokta, this tour is 19 km and quite flat and easy to do.

Lunch under the way, in Nikkaluokta we will have a dinner at the restaurant and after that we will be picked up for transfer back to the base in Kiruna/Jukkasjärvi

When we are back we will visit Icehotel with everyone, Overnight stay in the cabins, and dinner under the evening

Departure day: breakfast and later on transfer to airport, etc.

- We start those tours on request from 1st of March until end of April, we don't have any fixed dates for them but we can offer those tours each week under those two months.
- Minimum of 3 guests
- In price includes: food, accommodation, gloves, hats, skis, (if someone has their own and wants to use them so is that ok for us) sleeping bags with liner inside,
- Each person needs a backpack 40-60 litres. (can be rented from us)
- It can be very cold at night down to minus 20-25 degrees but of course the cabins are warm. Daytime it's normally around minus 10-15 degrees and sunny.
- This is a tour everyone can do without any earlier experiences; only need to be normal fit and trained.
- Price: 13500:- per person
- Maximum size of the group is 12 persons.
- Depends on the guests and the weather conditions, if it is very good weather we can do some shorter tours in evenings under day 4.
